

EyePoint Pharmaceuticals Ranked Among Fastest-Growing Companies in North America on the 2021 Deloitte Technology Fast 500™

WATERTOWN, Mass., November 18, 2021 – EyePoint Pharmaceuticals, Inc. (NASDAQ: EYPT), a pharmaceutical company committed to developing and commercializing therapeutics to improve the lives of patients with serious eye disorders, today announced it ranked number 339 on the [Deloitte Technology Fast 500™](#), a ranking of the 500 fastest-growing technology, media, telecommunications, life sciences, fintech, and energy tech companies in North America, now in its 27th year.

“We are honored to be part of this prestigious list of companies for the second time and thank Deloitte for including EyePoint. This recognition reinforces the need for innovative and cutting-edge solutions that EyePoint brings to the ophthalmology space,” said Nancy Lurker, Chief Executive Officer of EyePoint Pharmaceuticals. “Our year over year growth in all facets of our business, proves we have incredible paradigm-shifting products and a valuable pipeline that can harness the power to deliver transformative, eyesight saving treatments utilizing our first-in-class drug delivery technologies.”

“EyePoint continues to be encouraged by clinical read outs, especially for EYP-1901, our potential twice yearly ocular injection for wet AMD. Our pipeline and products support our mission to develop and commercialize medicines for treating serious eye disorders. We recently reported a 49% increase in net product revenues compared to this time last year. Consistent commercial performance combined with positive clinical advancements is priming EyePoint for a strong close to 2021 and an even more exciting year ahead in 2022.”

About the 2021 Deloitte Technology Fast 500™

Now in its 27th year, the Deloitte Technology Fast 500 provides a ranking of the fastest-growing technology, media, telecommunications, life sciences, fintech, and energy tech companies — both public and private — in North America. Technology Fast 500 award winners are selected based on percentage fiscal year revenue growth from 2017 to 2020.

In order to be eligible for Technology Fast 500 recognition, companies must own proprietary intellectual property or technology that is sold to customers in products that contribute to a majority of the company’s operating revenues. Companies must have base-year operating revenues of at least US\$50,000, and current-year operating revenues of at least US\$5 million. Additionally, companies must be in business for a minimum of four years and be headquartered within North America.
